

# My Training Reviews

The below testimonials represent a sample of the feedback I've received from previous workplaces and freelance training sessions.

These are unfiltered and presented as retrieved from available hard copies.

While there are countless others I do not have access to, these examples reflect the impact and value delivered through my work.

Karim Youssef

### Learning Event Evaluation Sheet

Your feedback is valuable to us and appreciated so please take the time to complete this evaluation in order to assess your overall training experience

By how far are you satisfied with this training **program**?

1    2    3    4    5    6    7    8    9    10

✓

How likely would you recommend the **trainer** of this program?

1    2    3    4    5    6    7    8    9    10

✓

*What did you like the most about the program?*

I like the way the info was delivered, and the trainer was very energetic & efficient.

*What could've been better?*

Thank you for your feedback
